

Lampe de Marseille

Nemo Cassina

Designed by Le Corbusier for the Unité d'Habitation of Marseille in 1949/1952, it is an adjustable wall lamp with plug. Spun aluminium diffuser. Available with matt grey or white wash body, with white internal diffusers. Direct and indirect lighting output. Double switch on the cable, for a functional and adjustable light output.

Lampe de Marseille mini: Mini version of the Lampe de Marseille. Switch on the cable. Wall installation also without plug. Functional and adjustable light output.
