H Series H1, H2, H3

Lumen8

This simple, plain, yet versatile H series is designed with slim aluminium body and high efficiency LED tape to add the extra dimension to your space with both direct and indirect light. Whether your space is minimalistic or decorative, this geometric pendant is guaranteed to provide the sophisticated touch that your space deserves.

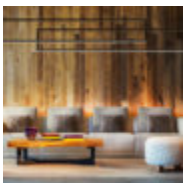

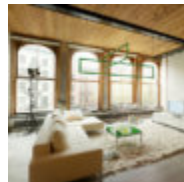

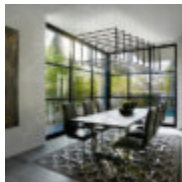

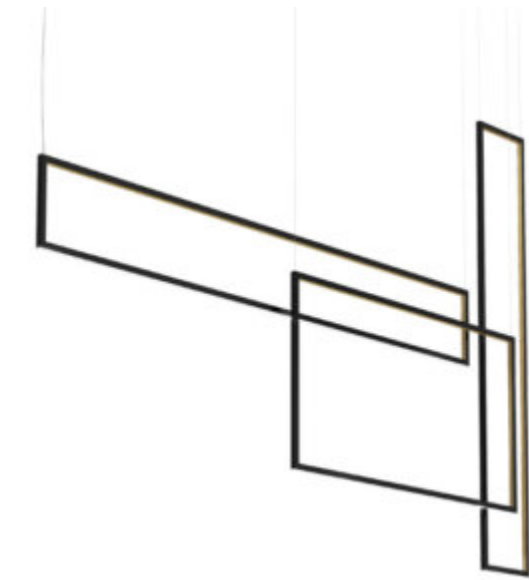

The H series H1, H2 and H3 are the standard sizes for this rectangular design, however, custom sizes are available on request- Just ask our friendly designers!

The exterior profile colour, and the interior section of profile can be your choice of black, gold, bronze or silver.

All pendants come with: LED driver (installed remotely in ceiling), ceiling canopy cup (80 x 80 x 25mm), 2m Stainless Steel Suspension, Cable Grip. The light source is 14w LED tape (1100 lumens p/metre), with a colour temperature of either 3000k or 4000k.

IP 20.
