Anto

Planlicht

The Anto multi spotlight luminaire is a fitting that comes one of two ways: either recessed on its own (frame or frameless options available), or it inserts to fit into p.dindi or p.midi systems profiles. It also comes in 2700k, 3000k, 4000k and tunable white which makes it an excellent choice in terms of creating human centric lighting in your office environment. This fitting comes in 6 light, 12 light or 18 light lengths, with DALI dimmable MacAdam3 LEDs at UGR<16. The reflectors come in the choice of 13°, 30° or 50°, and the die-cast Aluminium body is available in White, Black or Silver.
