Abaco Pendant Light

RAAT

The Abaco pendant light is a contemporary and minimalist fitting ideal for use in both residential and retail environments. It produces a diffused light and is perfect for an overall spread of light. Featuring a 107 degree optic and 50,000hrs @ L70, the Abaco is both multi functional and efficient. Similarly, it is available in several sizes with various colour temperatures (3000K- 5000K), CRI (CRI80, CRI90) and light output options. Furthermore, it features integrated Bluetooth technology, allowing wireless control of dimming, timing and creating an adjustable lighting environment.

Available in Triac Dimming, DALI or non dim options.

Also available in a **track light** and adjustable surface mount option.
