Volta

Estiluz

The Volta is a modern, sculptural pendant light thus, making it perfect for use in commercial and retail settings. The Volta is characterised of delicate, cantilevered arches and cylindrical heads which can be used singly or in clusters of brilliance. It is available in various singular options or, combine them together to create a unique cluster. Similarly, this floating sculpture is available in black, white and gold making it ideal for modern spaces. The Volta is also available as a **wall light** and table lamp.

Triac Dimmable

Product Name	Volta
