Roll 27W Track Light

RAAT

Roll 27W track light is ideal for use in both commercial and residential settings. Excellent for creating directional lighting, highlighting artworks or creating general lighting in a space. Functional and aesthetic, Roll 27W is available in black and white in either 3000K or 4000K. Additionally, this 3 circuit track light has a 90° adjustability and 355° rotation, allowing greater flexibility for light distribution. Furthermore, this LED down light has integrated Bluetooth technology, allowing wireless control of dimming, timing and creating an adjustable lighting environment.

Available in non dimmable, DALI dimming and Triac dimmable options.

Available as a **fixed can light** and **adjustable spot light**
