Flow 7W Spot Light

RAAT

Flow 7W Spot Light is an adjustable, recessed spot light/down light ideal for use in both commercial and residential settings. Excellent for creating directional lighting, highlighting artworks or creating general lighting in a space. Functional and aesthetic, Flow is available in black, grey and white. Additionally, this LED has a 90° adjustability and 355° rotation, allowing greater flexibility for light distribution. Flow becomes multi functional due to its ability to transform from a down light to a can light and to a spot light and vice versa.

Dimmable dependant on globe.

Available in a **LED version**.
