Holt

Lumen8

Holt is a minimalist linear pendant, ideal for use in kitchens, office spaces and commercial applications.

The Holt is the next series of pendant lights from the **Acacia** and **Kenyon** Range.

This design internally houses high output LED boards with effortless slimline forms that honour the architectural style that makes the Acacia and Kenyon range so popular.

It is available in either black or white finish and features direct indirect lighting. Furthermore, the LED is 3000k, warm white, with 4000k available on request.

For custom lengths or CRI90 LED, please see the **Acacia** and **Kenyon**, or contact us for more information.
