Crown Major

Nemo Cassina

The Crown Major is a stunning 5 tier pendant perfect for large void spaces or as a feature dining/living room pendant. A modern twist on the classic pendant chandelier, the Crown series is a modern structure made from die-cast aluminium and sandblasted glass diffusers. The Crown Series comes in 5 styles/sizes: Crown Major, Crown Minor, Crown Summa, Crown Multi, Crown Plana

Structures comes in either: Hand polished glossy aluminium, gold plated, painted in matt white, painted in matt black or painted in gold. With widespread light available in warm LED, Nemo's Crown series is a stunning alternative to the old, classic chandelier design. Available in LED on request. Transparent cable, standard length 3m. Red cable available on request.
