

Snowflake by David Trubridge

Snowflake is assembled from a hexagonal snowflake shape which creates a repeating geometric pattern. The light was designed following a trip David made to Antarctica as a visiting artist. It builds on the process he first developed with Coral of using minimal thin sheet material in compound curvature to create. The Snowflake is part of the SEEDS flat pack kitset series. However, our team can assemble them for you. Simply ask us! *Dali dimming requires an additional component installed remotely in ceiling

Specifications

Light source	E27	Finish	Natural Bamboo
Wattage	Max 60W		Caramel
Light distribution	General		White 1 Side
Colour rendering (CRI)	80-89		White 2 Sides
	90-95		Black 1 Side
Voltage (V) Current (mA)	Mains Voltage – 220V-240V		Black 2 Sides
Dimming options	Non Dimmable		Resene Citrus
	Trailing Edge Phase		Resene Hopbush
	Dali		Resene Jordy Blue
	Bluetooth Casambi		Resene Niagara
Ingress protection rating (IP)	IPX0		Resene Trubridge Red
		Material	Resene West Side
		Brand	Bamboo
		Origin	David Trubridge
		Product code	New Zealand
		Warranty	DT SNOWFLAKE
		Other	2 year commercial / 3 year residential (excluding bulb)
			Lamp not included
