

Maru by David Trubridge

Maru is the newest concept luminaire from our studio and is made from 60 identical components that clip together to create an elliptical form.

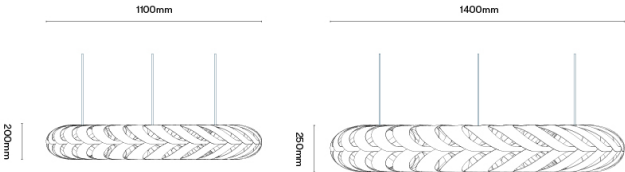

The name Maru is found in both New Zealand Maori and Japanese languages, with references to the cycle of life.

This design is suitable for any interior application both residential and commercial.

Sustainability factors;

EPD accredited product FSC certified Bamboo grown in renewable forests E0 laminating glue avoids harmful toxins Minimal wastage produced Water-based paints (Coloured one side or both side versions) Flatpack international shipping vastly reduces freight impacts

You can read more in David Trubridge's Footprint Statement [here](#).

Specifications

Light source	Dedicated LED	Finish	Natural Bamboo Caramel White 1 Side White 2 Sides Black 1 Side Black 2 Sides Resene Citrus Resene Hopbush Resene Jordy Blue Resene Niagara Resene Trubridge Red Resene West Side
Wattage	15.6W	Material	Bamboo
Lumen (lm) Colour Temp (K)	1080lm at 2700K	Brand	David Trubridge
Light distribution	General Indirect	Origin	New Zealand
Colour rendering (CRI)	90-95	Product code	DT MARU ____
Voltage (V) Current (mA)	Mains Voltage – 220V-240V	Warranty	2 year commercial / 3 year residential
Driver location	In ceiling canopy		
Dimming options	Non Dimmable Dali Bluetooth Casambi		
Ingress protection rating (IP)	IPX0
