

Diadema Pendant by Vistosi

Diadema is an elegant collection of diffusion lamps composed of handcrafted glass rods. It is a stunning decorative yet functional piece suitable for both contemporary and traditional interiors.

The pendant collection comprises of three different diameters, all in three different heights. The frame is available in Bronze or Chrome. The 120cm suspension features a surface mount ceiling canopy to match the frame colour.

The 90mmø designs require a G9 lamp, while the 180mmø and 300mmø require an E27.

*Dali dimming requires an additional component installed remotely in ceiling

Also available as a chandelier and wall light

Specifications
