

Teka by Lumen8

The Teka adjustable, exterior, surface mount downlight by Lumen8 Architectural Lighting is a flexible outdoor lighting solution. The Teka's 90° tilt action means it can be used on level or raked ceilings, as well as creating opportunities to wash light down over feature wall surfaces. It's wide variety of beam angles; 10°, 18°, 32° or 52° further adds to its flexibility, allowing it to highlight specific features. Available in white or anthracite to suit any ceiling surface. Trailing-Edge Dimmable. Dali or Bluetooth dimming possible through the use of an additional remotely installed component.

Specifications

Light source	Dedicated LED
Wattage	13W
