1×12,5W LED 1650 lm · 3.000 K

L'idea guida della collezione si sviluppa attorno a un paralume, caratterizzato dalla bombatura sulla sommità e dalla tecnica dello sfumato nel cristallo, che permette alla luce di irradiarsi e diffondersi in modo confortevole nell'ambiente. Sorgente luminosa a LED.

The main idea of the collection is built around a lampshade, characterized by the convexity at the top and the sfumato technique of the crystal, which allows light to radiate and spread comfortably in the environment. LED light source.
