Roll Adjustable Accent Light

RAAT

Roll adjustable accent light is a surface mount light ideal for use in both commercial and residential settings. Excellent for creating directional lighting, highlighting artworks or creating general lighting in a space. Functional and aesthetic, Roll is available in black and white. Additionally, this LED has a 90° adjustability and 355° rotation, allowing greater flexibility for light distribution.

Dimmable dependant on GU10 globe.

The Roll is also available in a **fixed can light** option.
